PLEASE NOTE:

As of July 1, 2002 the SERC Library bibliographies are typed in accordance with the 5th edition Publication Manual of the American Psychological Association with the only exception being that they are not double-spaced in order to save paper.

Resources included in this bibliography do not indicate approval or endorsement by SERC or the CT State Department of Education. The listings are provided solely as a resource of general information.

Abner, G.H., & Lahm, E.A. (2002). Implementation of assistive technology with students who are

- visually impaired: Teachers' readiness. *Journal of Impairment & Blindness*, 96, 98-106.
- Aller, S.K., & Solano, T. (2000). Tech for tots: Assistive technology for infants and young children, part 2. *Exceptional Parent*, 30(7), 64-67, 76.
- Ashton, T.M. (2000). Assistive technology. *Journal of Special Education Technology*, 15(1), 57-58.
- Ashton, T.M. (2002). Assistive technology for language instruction: TalkingWords. *Journal of Special Education Technology*, 17(2), 46-48.
- Ashton, T.M. (2001). Improving attention, reducing behavior problems, and bolstering self-esteem: The many benefits of play attention. *Journal of Special Education Technology*, 16(2), 53-54.
- Bauer, A.M., & Ulrich, M.E. (2001). My dog ate my PDA. *Exceptional Parent*, 31(11), 36-37.
- Beck, J. (2002). Emerging literacy through assistive technology. *Teaching Exceptional Children*, 35(2), 44-48.
- Beigel, A.R. (2000). Assistive technology assessment: More than the device. *Intervention in School and Clinic*, 35, 237-243.
- Belknap, K. (1999). Technology at your fingertips: ABLEDATA has the information that parents needs. *Exceptional Parent*, 29(11), 26-29.
- Bergen, D. (2002). Using technology in inclusive classrooms. *Childhood Education*, 78, 251-253.
- Brown, M.R. (2000). Access, instruction, and barriers: Technology issues facing students at risk. *Remedial and Special Education*, 21, 182-192.
- Butler, S.E., Crudden, A., Sansing, W.K., & LeJeune, B.J. (2002). Employment barriers: Access to assistive technology and research needs. *Journal of Visual Impairment & Blindness*, 96, 664-667.
- Burgstahler, S. (2002). Conquering the jargon jungle. *Exceptional Parent*, 32(7), 62-65.
- Burgstahler, S. (2002). Tech talk: Where can I learn about computer technology that might benefit my child? *Exceptional Parent*, 32(6), 55-56.
